

TERMS OF SERVICE (TOS)

These Terms of Services & Policies (the “**Agreement**”) are agreements between **Aquirex Technologies** (“**Aquirex**” or “**us**” or “**our**”) and **You** (“**User**” or “**you**” or “**your**” or “**customers**”). This pages sets forth the general terms and conditions of your use of the products and services made available by Aquirex and of the Aquirex.com website (collectively, the “**Services**”).

It is important that we (customer and Aquirex) must follow standards and terms. This document will ensure a successful business operation with a mutual understanding.

In this General Terms & other Terms including all the sectioned mentioned below; you will find the updates made on [April 10th, 2016](#)

[Legal Team – Aquirex Technologies]

1. GENERAL TERMS

Aquirex Technologies respects the privacy of all its consumers and treats its personal information provided by you as confidential. We pledge to fully comply with the requirements of the International Personal Data (Privacy) Ordinance. We use your personal data and information in order to fulfil our commitment to provide you with distinctive of IT service.

I. ADD-ON POLICIES AND AGREEMENTS

Service usage is also determined by the listed policies, which are incorporated as required. By using our products/services, you also agree to the terms of the following policies

- a. Privacy Policy
- b. Acceptable Use Policy
- c. Copyright Violation Policy

II. MORE....

Additional terms and policies may also apply to certain services, and are incorporated by reference herein as applicable. For example, if you register for a VPS (Virtual private server) with us, then the VPS Terms of Service will apply to you and would be incorporated herein

2. ACCOUNT ELIGIBILITY

I. REGISTRATION AND WARRANT

By registering or signing up to use our service warrant that you are sixteen (16) years of age or older. Thus, the services are intended solely for users who are within the said age or older. Hence, any registrations, use of or access to our services, by anyone under the said age is unauthorized and is a violation of this agreement.

In any event, if you use our Services on behalf of another party, you then agree that you are authorized to bind such said party to this Agreement and to act on such said party's behalf with respect to any actions you take in connection with the services

II. PROVIDING INFORMATION

It is customer's sole responsibility to provide accurate, current and valid, complete information on the sign up forms including email information that is different from the domain you are registering under. If there is ever a misact or we need to contact you, we will use the primary email address we have on our records. It is your responsibility to ensure that the contact information records for your account, including any domain accounts, hosting accounts is accurate, correct and complete at all times. Aquirex is not responsible for any lapse in the Services, including without limitation, any lapsed domain registrations due to outdated contact information being associated with the domain. If you need to verify or change your contact information, you may utilize the [Aquirex Client Portal](#) to update your

contact information. Providing false contact information of any kind may result in the termination of your account. In certain purchases or certain other cases, you may be required to provide government issued identification and possibly a scan of the credit card which will be used for verification purposes. Failure to provide said information in such occasion may result in your order being denied.

III. CUSTOMER RESPONSIBILITY

You agree to be fully responsible for all and any use of your respective account and for any actions take place through your account. It is also your responsibility to maintain the confidentiality of your password and or other information related to the security of your account.

IV. DEDICATED/STATIC IP REGISTRATION

Any dedicated IP order in addition to those provided with or depending on hosting package may be subject to IP justification. IP justification practices are subject to change to remain in compliance with the policies of the acquiring organizations such as APNIC, ARING... etc. We reserve the right to deny any dedicated IP request based on insufficient justification or current IP utilization.

V. DATA STORE

DATA(s) you provide to Aqurex Technologies will be hosted in various datacenters based on the current order and availability of the cluster node unless otherwise provided. If you access the said service from outside, you are voluntarily transferring information to the said nodes.

3. TRANSFERS

Engineers at Aqurex will make every effort to support consumers to move their contents to us (Aqurex servers) regardless of the services but are limited to what Aqurex offers as transfers, provided it's a value added service. Thus, we might not make any guarantees of the possibility, availability or time required to complete such an operation. Each service provider uses various techniques and are configured differently, and some platforms collect/save DATA(s) in an incompatible proprietary format, which may make it extremely difficult if not impossible to migrate some or all account DATA. The free transfer service is only available for forty-five (45) calendar days from initial sign up date of any belonging service. Transfers outside of the said period will bundle a charge; contact Aqurex support-team member or use the [portal](#) to receive a price quote. In no event shall Aqurex be held liable for any lost or missing data or files resulting from a transfer to or from Aqurex. You are solely responsible for backing up your data in all circumstances.

4. SERVICER PROVIDER (AUREX) CONTENT

Except for User Content (as defined below), all content available through the Services, including designs, text, graphics, images, video, information, software, audio and other files, and their selection and arrangement, and all software used to provide the Services, are the proprietary property of Aqurex or its licensors. Thus, contents may not be modified, copied, distributed, framed, reproduced, republished, downloaded, scraped, displayed, posted, transmitted, sold or exploited for any purpose in any form or by any means, in whole or in part, other than as expressly permitted in this Agreement. You may not, directly or indirectly, reverse engineer, decompile, disassemble or otherwise attempt to derive source code or other trade secrets from any Aqurex Content. Any use of said content, other than as specifically authorized herein, is prohibited and will automatically terminate your rights to use the Services and any of its content. All rights to use Service provider content that are not expressly granted in this Agreement are reserved by Aqurex and its licensors.
